ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices, and extensively updated exercises and

activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Business Communication: Process and Product introduces a unique teaching/learning package that solves a major problem for instructors and students today. It provides the atmosphere of an exciting real-life business environment for business communication -- without sacrificing sound pedagogy. This means that students experience the enrichment of real people and real business situations while at the same time learning a hands-on process that they can carry with them to apply long after they leave the classroom...Business Communication: Process and Product takes students inside some of the country's best-run and most respected organizations, such as Liz Claiborne, Ben & Jerry's, American Airlines, Bank of America, and Walt Disney Imagineering. More importantly, though, it balances this exposure with a well-developed and consistently applied process approach to communication. Students need more than real business settings in which to frame their learning. They need a process that outlines specific steps to follow in solving future communication problems, a tangible strategy they can apply in their careers. In addition to a process, we provide ample products of that process. Covering business communication skills, this text includes a grammar check, writing improvement exercises and cases which break down the writing process into simple components. E-mail, Web research, team and critical thinking exercises have also been added to this edition. This book takes the reader inside some of the country's best-run and most respected organizations, providing an exciting, real-life business environment atmosphere. More importantly, it balances this exposure with a well-developed, consistently applied process approach to communication. Readers learn a tangible process for solving future communication problems applicable to their present careers. BUSINESS COMMUNICATION: PROCESS AND PRODUCT presents the most current and authoritative communication technology and business communication concepts. Written by award-winning author and renowned leader Mary Ellen Guffey and new coauthor Dana Loewy, BC:PP offers the most up-to-date and best researched text on the market. The 7th edition includes new, interactive student resources and comprehensive coverage of workplace technology. This innovative coverage enhances the hallmark features of this textbook: the 3-x-3 writing process, three-part case studies, abundant use of model documents, and complete coverage in a 16-chapter textbook while retaining unparalleled teaching resources to help instructors plan and manage their courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. For over a decade, Canadian Business English has helped thousands of students improve their language skills and increase their employability. With an increased emphasis on editing, proofreading and writing, the 4e teaches skills that accurately reflect the needs of the Canadian business community. The 4e is filled with unique features such as writing workshops, pre and posttests and self-help exercises that aid students in the comprehension and review of key chapter material. Students will also find helpful study tips interspersed within the text that help them retain and apply their knowledge. Provide a description about the book that does not include any references to package elements. This description will provide a description

where the core, text-only product or an eBook is sold. Please remember to fill out the variations section on the PMI with the book only information. Technical Communication: Process and Product, 8e by Sharon J. Gerson and Steven M. Gerson, provides a proven, complete methodology that emphasizes the writing process and shows how it applies to both oral and written communication. With an emphasis on real people and their technical communication, it provides complete coverage of communication channels, ethics, and technological advances. This edition includes information on dispersed teams, collaboration tools, listening skills, and social networking. Using before/after documents, authentic writing samples and skill-building assignments, the book provides a balance of how-to instruction with real-world modeling to address the needs of an evolving workplace. Designed as a grammar/mechanics text, this fast-paced, economical text/workbook develops proficiency in grammar, punctuation, usage, and style. With the assistance of Dean Elizabeth Tice at the University of Phoenix, co-authors Mary Ellen Guffey and Carolyn M. Seefer have produced an accelerated refresher course guide aimed at motivated students. The second edition contains fewer chapters, with more examples and reinforcement exercises to facilitate quick comprehension for career-oriented students. Essentials of College English is a no-frills grammar/mechanical review that combines value with authoritative coverage. BUSINESS COMMUNICATION: PROCESS AND PRODUCT, 8e, is designed to prepare students for success in today's digital workplace. The textbook presents the basics of communicating in the workplace, using social media in a professional environment, working in teams, becoming a good listener, and presenting individual and team presentations. Authors Mary Ellen Guffey and Dana Loewy also offer a wealth of ideas for writing resumes and cover letters, participating in interviews, and completing follow-up activities. Optional grammar coverage in each chapter, including a comprehensive grammar guide in the end-of-book appendix, helps students improve their English language skills. BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE, 9E offers a realistic approach to communication in today's organizations. The text covers the most important business communication concepts in detail and thoroughly integrates coverage of today's social media and other communication technologies. Building on core written and oral communication skills, the ninth edition helps readers make sound medium choices and provides guidelines and examples for the many ways people communicate at work. Readers learn how to create PowerPoint decks, use instant messaging and texting effectively at work, engage customers using social media, lead web meetings and conference calls, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. By combining research sources with an annotated bibliography this reference title locates the sources that offer practical solutions to business and technical communication problems. With an emphasis on audience analysis and technology applications, this comprehensive book makes business communication easy. Readers are presented the basics about the communications process and how to improve writing and presentation techniques. It also shows how to present data, write both informal and formal reports, make oral presentations and conduct conference calls, and more. The comprehensive how-to guide to preparing students for the demands they'll face on the job. Dwyer thoroughly addresses the new-media skills that employees are expected to have in today's business environment. Now titled Communication for Business and the Professions: Strategies and Skills, the fifth edition presents these technologies in the context of proven communication strategies and essential business English skills. With new and updated content on social media and technology, Dwyer provides comprehensive coverage of communication strategies and skills by linking theory and research with practical skills and examples. Dwyer believes in expanding our knowledge of what we can do to interact effectively and provides us with working models to practise and refine how well we do it. This edition continues to provide a solid background in communication, stimulate critical thinking, and promote active learning through a variety of features and activities. Examining nearly every conspiracy theory in the public's consciousness today, this investigation seeks to link seemingly unrelated theories through a cultural studies perspective. While looking at conspiracy theories that range from the moon landing and JFK's assassination to the Oklahoma City bombing and Freemasonry, this reconstruction reveals newly discovered connections between wide swaths of events. Linking Dracula to George W. Bush, UFOs to strawberry ice cream, and Jesus Christ to robots from outer space, this is truly an all-original discussion of popular conspiracy theories.
