In his First Letter to the Corinthians Paul cites "administrators" as one of God's gifts to the Christian

community (1 Cor 12:28). But many who serve in administrative service today have difficulty seeing how their everyday work is an expression of discipleship. This book, written by an experienced administrator and noted biblical scholar, shows how the various functions of institutional administration are deeply rooted in the Scriptures and are a genuine expression of our call to discipleship. Leadership, mission statements and planning, finances and fund raising, personnel issues, communications, and public relations—all of these seemingly “secular” activities serve to build up the Body of Christ and deserve to be

recognized as authentic Christian ministry. To see administrative service as a biblically rooted gift can help those involved in this way of life to find deeper and more satisfying spiritual meaning in what they do. In her book “The Gift of Prayer” Toni Kelsey-Stewart reminds believers that they can have answers to their prayers. God the Father wants his children to know His heart. To know His heart we must fellowship with Him. Toni explains that prayer is not just a religious practice, nor is it just for the spiritual elite. She shares how she was once stuck with what seemed to be a hopeless situation, knowing God yet feeling discouraged. As

Toni began her simple, heartfelt prayers to the Lord, believing in His goodness and sovereignty, she was transformed and became a vessel of His power and love. Heavenly Wisdom for Daily Living The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture

their love for one another. The first comprehensive, down-to-earth introduction to explain the primary message of Kabbalah that we are to become like God. Unlike the faddish books that just discuss Kabbalah as a magical system, or those that treat it as if it were separable from Judaism, this inspiring book makes accessible the mysteries of Kabbalah with thorough scholarship and depth of spiritual insight. It traces the evolution of Kabbalah in Judaism and sets forth its most important gift: a way of revealing the connection that exists between our "everyday" life and the spiritual oneness of the universe. Including hands-

on "personal Kabbalah" exercises that help bring the teachings into your life, "The Gift of Kabbalah" explores: Healing from the Source Holiness in the Ordinary Contemplating Your Place in History Building a Positive Structure for Life The Soul's Contract with God ... and much more. Hope for Leaders Facing Burnout and Discouragement Around the world, discouragement erodes the vitality of organizations. Visionaries often succumb to cynicism. Zealous advocates give up. Leaders coast as their passion for the cause grows cold. Grounded in research, this book is an invitation for followers of Jesus to sustain

hope in long-term service. It's about moving past the false hope of idealism and the faint hope of disillusionment to discover true Christian hope. You will gain encouragement through the study of the book of Jeremiah woven throughout as the authors explore how the Lord prophetically met and sustained Jeremiah during his lifetime of faithfulness despite literally nothing going as he'd hoped. Glean further inspiration by reading the stories of Christian leaders from around the globe: Zimbabwe, Haiti, Guatemala, Poland, Palestine, the Philippines, India, Zambia, and Lebanon. For this is a moment when we need the global

Church's perspective and influence. Don't give up and don't check out. These are confounding and perilous days, yet God's sustaining presence can bring joy, hope, and encouragement even amid heartache and disappointment. In 2011 the Maryknoll Fathers & Brothers celebrated one hundred years of mission work in more than forty countries around the world. These essays describe the achievements, and failures, of the past and the challenges and rewards that mission outreach experiences today in our world of pluralism, and it probes into the future of mission and the changing nature of that mission. Included among the many

contributors are Cardinal Francis George, Robert Schreiter, Peter Phan, Dana Robert, and Bishop Ricardo Ramirez. Complete texts of the plenaries by Maryknoll representatives and invited speakers are included and summaries are presented by leaders of a number of break-out sessions. Among the latter are Barbara Reid, Daniel Groody, Ana Maria Pineda, and many others. What can Mooch the cat give Earl the dog when Earl has everything? The answer, of course, is nothing. This simple picture book story features characters from McDonnell's popular comic strip, "Mutts." Illustrations. This volume deals with but one

theme-THE ABIDING GIFT OF PROPHECY. That prophetic gift has been God's chosen method of revealing Himself to the human race after man had been ruined through sin. Before being estranged from God by this blighting, alien curse, he had free and open access to the presence of his Creator. But after the fall this open way was closed. Since then, an obscuring veil has separated man from the presence of God. - Author's Foreword. Introduction. 1. The patriarchal age. 2. The mosaic dispensation. 3. The apostolic period, 4. The Christian era. 5. The remnant hour Thea begins to realize that great things are expected of her and her

abilities. Edward S. Curtis's *The North American Indian* is the most ambitious photographic and ethnographic record of Native American cultures ever produced. Published between 1907 and 1930 as a series of twenty volumes and portfolios, the work contains more than two thousand photographs intended to document the traditional culture of every Native American tribe west of the Mississippi. Many critics have claimed that Curtis's images present Native peoples as a "vanishing race," hiding both their engagement with modernity and the history of colonial violence. But in this major reappraisal of Curtis's

work, Shamoan Zamir argues instead that Curtis's photography engages meaningfully with the crisis of culture and selfhood brought on by the dramatic transformations of Native societies. This crisis is captured profoundly, and with remarkable empathy, in Curtis's images of the human face. Zamir also contends that we can fully understand this achievement only if we think of Curtis's Native subjects as coauthors of his project. This radical reassessment is presented as a series of close readings that explore the relationship of aesthetics and ethics in photography. Zamir's richly illustrated study

resituates Curtis's work in Native American studies and in the histories of photography and visual anthropology. *A WORLD WITHOUT PAIN?* Can such a place exist? It not only can---it does. But it's no utopia. It's a colony for leprosy patients: a world where people literally feel no pain, and reap horrifying consequences. His work with leprosy patients in India and the United States convinced Dr. Paul Brand that pain truly is one of God's great gifts to us. In this inspiring story of his fifty-year career as a healer, Dr. Brand probes the mystery of pain and reveals its importance. As an indicator that lets us know something is wrong, pain has a value that

becomes clearest in its absence. The Gift of Pain looks at what pain is and why we need it. Together, the renowned surgeon and award-winning writer Philip Yancey shed fresh light on a gift that none of us want and none of us can do without. Enjoy this fan-favorite story of love, redemption and finding family from RITA® Award—winning author Inglath Cooper. In a moment of grief, Caleb Tucker made the biggest mistake of his life. He gave away his wife's baby, born under the most tragic circumstances. Three years later he gets a second chance. All because Sophie Owens walks into his feed store with her little girl—a little girl

who looks a lot like his late wife. But in order to get his second chance, he'll have to ruin Sophie's world. Perhaps, though, a gift of grace could save them both. Originally published in 2006. "A beautiful, intense, and superbly written novel....This book will get into your heart and it will not let go...." —The Romance Reader's Connection on A Gift of Grace Many writers and commentators are convinced that Western culture and society are unravelling. Who can blame them! As I write this, violent protests rage across the USA in response to senseless murders. The political sphere has never seemed to virulent, and a

deadly epidemic has affected all our lives. Many are agreed that there are serious problems working themselves out in Western society, yet among Christians, there is little agreement over the approach we should take to the West and its problems. This issue, how Christians should approach engagement with culture, is not a new one, nor is it a uniquely Western issue. Christians in every age and in every culture are confronted with this question. In response to many today who see it as the Christian responsibility to save the West, to preserve its unique cultural heritage and achievements, this author argues that our lives in this

world need to be governed by three theological themes, ecclesiology, soteriology, and eschatology. That is, we must prioritize the local church, engage with society with the understanding that earthly kingdoms are manifestations of Satan's kingdom, and live in light of Christ's imminent return. AN INSTANT NEW YORK TIMES BESTSELLER! "[The Gift of Forgiveness] will spark conversations across families, across friendships, at workplaces, everywhere."—Maria Shriver A fresh, inspiring book on learning how to forgive, with firsthand stories from those who have learned to let go of resentment and find peace.

"When we learn to embrace forgiveness, it opens us up to healing, hope, and a new world of possibility."—Katherine Schwarzenegger Pratt Written with grace and understanding and based on more than twenty in-depth interviews and stories as well as personal reflections from Schwarzenegger Pratt herself, *The Gift of Forgiveness* is about one of the most difficult challenges in life—learning to forgive. Here, Katherine Schwarzenegger Pratt shows us what we can learn from those who have struggled with forgiveness, some still struggling, and others who have been able to forgive what might seem truly unforgivable. The book features

experiences from those well-known and unknown, including Elizabeth Smart, who learned to forgive her captors; Sue Klebold, whose son, Dylan, was one of the Columbine shooters, learning empathy and how to forgive herself; Chris Williams, who forgave the drunken teenager who killed his wife and child; and of course Schwarzenegger Pratt's own challenges and path to forgiveness in her own life. All provide different journeys to forgiveness and the process—sometimes slow and thorny, sometimes almost instantaneous—by which they learned to forgive and let go. *The Gift of Forgiveness* is a perfect blend of personal

insights, powerful quotations, and hard-won wisdom for those seeking a way to live with greater acceptance, grace, and peace. A PAMELA DORMAN BOOKS/PENGUIN LIFE TITLE

The Gift of New Hope invites you to explore our yearning for God's presence through a study of the lectionary Bible readings for Advent and Christmas. Each week's scriptures call us to praise God as we actively await the coming of Christ and prepare our hearts and lives for his arrival. Through the readings, we hear the invitation to claim and celebrate the new hope we have in Jesus Christ. The season of Advent offers opportunities to prepare for God's coming in human form in

the infant Jesus and for the fulfillment of God's kingdom with the second coming of Christ. Hope is the focus of Advent worship, study, and prayer. We will discover the light that began in the manger, which continues as we look forward with hope to Christ's return. The Gift of New Hope is based on the Revised Common Lectionary scriptures for church year C, the third of a three-year cycle of Bible readings. The study includes commentary and reflection on readings from the Old Testament, the Gospels, and the Epistles. It offers the opportunity to explore these Bible readings in a five-session study. It will help participants

understand, appreciate, and engage in meaningful and joyous celebrations of Advent and Christmas and to live each day in God's hope through Jesus Christ. In 1993, Brock and Pamela Yates were living a charmed life. Happily married, they had successfully blended their families and watched proudly as their children left the nest and found their own way. But everything changed when Pams then twenty-five-year-old son, Sean, delivered horrifying news: he had a rare and incurable form of cancer. While chronicling both Seans and her journey through terminal cancer, Pam leads others through a poignant personal story that every

mother hopes she will never have to tell. While burdened with a mountain of medical red tape, Pam details how she, her family, and Sean clung to hope, tried alternate therapies, adapted to in-home care, and finally relented to hospice. As fear and stress began to overshadow everything else, Pam reveals how she fervently prayed and received an insightful answer that provided her with an incredible blessing. Through it all, Pams story illustrates how illness and loss not only demand tremendous advocacy and faith, but also have the power to teach us about ourselves and those we love. The Gift of More shares a mothers touching story about

courage, faith, and transformation after her adult son is diagnosed with cancer. Thought-provoking and inspirational personal stories from noted artists, healers, thinkers, and peacemakers explain how moments of suffering and challenge became an opportunity for spiritual growth and renewal, with contributions from Deepak Chopra, Martin Sheen, Isabel Allende, Rigoberta Menchu Tum, Iyanla Vanzant, Joan Borysenko, Dick Gregory, and others. Original. "Canada's journey to Confederation kicked off with a bang - or rather, a circus, a Civil War (American), a small fortune's worth of champagne, and a lot

of making love in the old-fashioned sense (courting, that is). Miss Confederation is a rare opportunity to look back through a woman's eyes at the men and events at the centre of this pivotal time in Canada's history. Mercy Coles, the daughter of PEI delegate George Coles, kept a diary of the social happenings and political manoeuvrings as they affected her and her desires. A unique historical document, her diary is now being published for the first time, offering a window into the events that led to Canada's creation, from a point of view that has long been neglected."-- The opportunity to become a parent is truly a gift. When we

step into one of the most challenging and important roles we will ever play, we are provided with the opportunity to unwrap this precious gift and create an amazing adult. In a comprehensive reference manual, Dr. Shanon Gibson relies on her experience as a seasoned teacher, educational entrepreneur, and infant/toddler developmental specialist to share strategies and insight for parents, educators, counselors, and caregivers that encourage positive early childhood experiences and the development of a whole person to achieve ideal lifelong outcomes. latest research findings, the growth of a child's brain, developmental milestones related to a child's birth gender, and concrete methods to change negative behaviors, build resilience, limit screen time and technology, teach social skills, and much more. Change the World around You through a Lifestyle of Encouragement From the beginning God has been communicating with mankind, just as he did when he talked with Adam and Eve in the Garden. Yet far too many people believe that talking with God is extraordinary when, in fact, it should be an ordinary part of our Christian life. Jesus modeled this two-way conversation. He also embraced a lifestyle of encouragement, changing the atmosphere and lives of people

everywhere he went. We can do the same. Full of powerful testimonies and practical application, this book will help you break out of your comfort zone and embrace a lifestyle of encouraging others—just as Jesus did. You will learn how to deepen your relationship with God, open a direct line of communication with him, and share his words with others. This book presents the Baptism of the Spirit as a once-and-done never-to-be-repeated historic event and is never offered in the Bible as something to be experienced by individual believers. In the process, it is discovered that the gift of speaking in tongues is not offered to or meant to be

experienced by all believers; therefore, it cannot be the necessary evidence of being baptized by the Spirit In this beautiful, bold board book, children will learn about the colors of the iconic pride flag! A warning from the past, an uncertain future, an impossible choice... For hundreds of years, the Durupinen have carried the power of the Gateway in their bloodlines. Now, a dire warning from the past might mean that power must come to an end. Jess Ballard has often considered her gift a curse - but now it may truly become one, unless she can convince the leaders of the Durupinen world to restore the power of the Gateways where it rightly

belongs. The Durupinen have always considered themselves a force for what is good in the world, but has the intoxication of power left them unable to distinguish between what is right and wrong? Jess, Hannah, Milo, and their allies are in a race against time as they gather together the most influential Durupinen from around the world to join the fight. As the Necromancer threat looms, and the Durupinen leaders battle over which course to take, Jess must travel her own path, look within herself and ask: How far will she go to right an ancient wrong, and will her connection to the spirit world survive it? Gift of the Darkness is the

highly-anticipated final installment in The Gateway Trackers series by E.E. Holmes. Like two chips in a cookie, Linda and Ed Schier were rolling happily along in their marriage-only to have everything come undone when Ed was diagnosed with cancer. Less than a year later, he died, turning Linda's world upside down. In A Gift of Love, she narrates her grief journey, shares the highlights of the wonderful man she fell in love with and married, describes the love they shared, and tells about the woman she has become since her soul mate died. While tracing a golden thread of treasured memories, A Gift of Love shares the

struggles of a dying man, his untimely death, and his widow's deepest sorrows. Telling the story of their lives and her sorrow with grace and honesty, Linda gives a step-by-step accounting of love, loss, and the celebration of her soul mate's end, while marking her new beginning. More than fulfilling the promise she made to her husband on his deathbed to write his story, this memoir teaches life's valuable lesson: when you lose a spouse, life goes on-and love does live forever. Most of all, it acts as a reminder that though life can change suddenly, each one of us possesses the power to decide to accept the unthinkable. This innovative

study brings the early writings of Mikhail Bakhtin into conversation with Max Scheler and Fyodor Dostoevsky to explore the question of what makes emotional co-experiencing ethically and spiritually productive. In Problems of Dostoevsky's Poetics, Bakhtin's well-known concept of the dialogical partner expresses what he sees as the potential of human relationships in Dostoevsky's work. But his earlier reflections on the ethical and aesthetic uses of empathy, in part inspired by Scheler's philosophy, suggest a still more fundamental form of communication that operates as a basis for human

togetherness in Dostoevsky. Applying this rich and previously neglected theoretical apparatus in a literary analysis, Wyman examines the obstacles to active empathy in Dostoevsky's fictional world, considers the limitations and excesses of empathy, addresses the problem of frustrated love in *The Idiot* and *Notes from Underground*, and provides a fresh interpretation of two of Dostoevsky's most iconic characters, Prince Myshkin and Alyosha Karamazov.
